PROFESSIONAL EXPERIENCE

Senior UI/UX Designer (Contract / Freelance)

Remote | September 2025 - January 2026

- Designed end-to-end user experiences for web and mobile applications across EdTech, AI, nonprofit, and service-based industries
- Conducted user research, usability testing, and stakeholder interviews to guide design decisions and improve product usability
- Produced wireframes, interactive prototypes, and high-fidelity UI designs using Figma

UI/UX Designer (Contract)

Remote | June 2025 - September 2026

- Built scalable design systems to ensure visual consistency and faster product iteration
- Collaborated closely with frontend developers to translate designs into functional interfaces
- Delivered design solutions that improved conversion rates, onboarding flows, and overall user satisfaction
- Managed multiple design projects simultaneously while meeting deadlines and maintaining quality standards

SELECTED PROJECTS

Golobe – Travel Agency Website (Hackathon Project)

Role: UI/UX Designer

Tools: Figma, Adobe XD, Miro

Designed a travel agency website during a 3-day hackathon with strict time constraints.

Key Contributions:

- Delivered a complete website design within **12 hours**
- Focused on clean UI, information hierarchy, and engaging visual design
- Demonstrated ability to work effectively under pressure
